

SENATOR SAVAGE: Is there further discussion? Senator Newell, do you have...your light is on. Senator Kelly. Senator Newell.

SENATOR NEWELL: I'd just move the question.

SENATOR SAVAGE: Do I see five hands? That is...that is on so we'll go ahead. The question is the adoption of the committee amendments. All those in favor vote aye. Senator Labeledz, for what purpose do you arise?

SENATOR LABEDZ: Mr. Chairman, I have some amendments on LB 407 that will change the bill as introduced. If these amendments are adopted I don't think my amendments change the committee amendments. They change the original bill. I would like to speak on the committee amendments. Is that possible?

SENATOR SAVAGE: Go ahead, yes. Proceed, Senator Labeledz. Senator Keyes.

SENATOR KEYES: She can amend the committee amendments with her amendments right now as she has it right now, I think.

SENATOR LABEDZ: May I ask Senator Keyes a question?

SENATOR SAVAGE: Yes. Senator Keyes, will you respond? Senator Labeledz has a question. Would you respond please?

SENATOR LABEDZ: Senator Keyes, the amendments that I had printed in the Journal amend LB 407, but does nothing to the committee amendments, if the committee amendments are adopted.

SENATOR KEYES: Okay, then you don't want the committee amendments adopted.

SENATOR LABEDZ: That's correct.

SENATOR KEYES: Okay then, Mr. Speaker, I believe I made a motion to adopt the committee amendments. I would hope that they would be turned down. Then Senator Labeledz has her amendments. The committee is out of the bill.

SENATOR SAVAGE: The question before the Legislature is the adoption of the committee amendments to LB 407. All those in favor vote aye. Those opposed vote nay. While you're voting I would like to take this opportunity to introduce some visitors from the Kearney area. Senator Cope and Senator Kahle's area. Dr. and Mrs. Don Fox. Would you stand please and be recognized? There was a group here a little while ago from Senator Marvel's district, 55 students from the Longfellow School, but they left before Senator Marvel returned to the body. I didn't introduce them. Is that the same group up there now, from Hastings? Record, Mr. Clerk.

CLERK: 5 ayes, 22 nays on the adoption of the committee amendments, Mr. President.

SENATOR SAVAGE: The committee amendments fail. Senator Labeledz.

CLERK: Read Labeledz amendments found on page 603 of the Journal.
